+91 88706 01288 | m.gowthamram@gmail.com | linkedin.com/in/gowthamram25 | Tirunelveli, Tamil Nadu, India

PROFESSIONAL SUMMARY

Digital marketing and content project manager with 7+ years of experience across social media strategy, LinkedIn growth, video-led campaigns and multi-client delivery. Leads a five-member content team and coordinates campaigns across LinkedIn, Instagram, Facebook and YouTube. Reported results include 85% higher LinkedIn engagement and 65% organic reach growth over six months. Combines editorial planning, scripting, creative workflow management, analytics and client communication in remote delivery environments.

CORE SKILLS

Content & Social: Content strategy, content marketing, social media strategy, LinkedIn marketing, Instagram, Facebook, YouTube, community management, editorial calendars and multi-platform publishing.

Creative & Production: Copywriting, scriptwriting, video content production, AI-assisted creative workflows, creative reviews, creator coordination, brand alignment and production scheduling.

Digital Marketing & Analytics: SEO, lead generation, email marketing, A/B testing, paid social (working knowledge), Google Analytics / GA4, LinkedIn Analytics, YouTube Studio, Meta Business Suite, KPI and ROI reporting.

Project & Client Operations: Creative project management, task assignment, resource planning, client/account management, team leadership, stakeholder coordination, deadline tracking and campaign delivery.

PROFESSIONAL EXPERIENCE

Project Manager - Social Media, LinkedIn & Video Content
Nov 2022 - Present

Digital SEO | Remote

- Plan and execute end-to-end content campaigns for 6+ client accounts across LinkedIn, Instagram, Facebook and YouTube, covering campaign planning, platform-specific content calendars, scripting, scheduling and publishing.
- Lead a five-member content team spanning script/content writing, AI-assisted image and video creation, and video editing; assign work, review creative quality and align deliverables with brand requirements, KPIs and deadlines.
- Coordinate the production pipeline from brief and script through AI-assisted asset creation, editing, revision cycles, quality review, approvals, scheduling and publication; track assignments and progress in shared project tools.
- Increased LinkedIn engagement by 85% and organic reach by 65% over six months by reviewing weekly analytics, identifying underperforming content and refining strategy based on audience response.
- Serve as the primary client contact for weekly performance reviews, escalations and brand alignment; retained every managed account.

Digital Marketer & Project Manager
May 2022 - Oct 2022

3A Business Consultancy | Chennai

- Managed digital marketing and social media campaigns for 3+ clients concurrently, translating business needs into lead-generation activities across LinkedIn ads, email campaigns and organic social content.
- Monitored campaign performance in Google Analytics and Meta Ads Manager, reviewed key results and delivered bi-weekly ROI reports with actionable recommendations.

Freelance Digital Marketer
Jan 2018 - Jul 2022

Self-employed | Remote

- Planned social media content and publishing activity for local businesses across Instagram, Facebook and LinkedIn, aligning topics and schedules with client needs.
- Managed day-to-day client communication and content scheduling; built repeat engagements through consistent delivery.

Media Manager & Marketing Lead
May 2016 - Aug 2018

CG Technology & Solutions | Tirunelveli

- Defined go-to-market strategy and established the startup's LinkedIn, Facebook and Instagram presence from zero to support brand awareness and customer acquisition.
- Generated initial qualified leads through organic social campaigns and local networking.
